Historické banské cesty v strednej  
Európe

Historical Routes of the Mines of Central Europe

21<sup>st</sup> – 22<sup>nd</sup> April 2016

Banská Štiavnica

## OBJECTIVES AND GOALS OF THE INTERNATIONAL CONFERENCE

The conference is focused on the presentation of the unique cultural heritage of mining regions, including their traditions, which contribute to sustainable tourism development in these regions. In addition, the goal of the conference is to increase the general awareness of this cultural heritage and discuss the possibilities of using it in creating tourist attractions.

The mining heritage monuments present the technical and economical development of Europe. The general goal of the conference is to contribute to the development of virtual routes across European mining regions, in order to promote the joining of the strategies of tourism development and UNESCO cultural heritage protection in Central Europe.
